Weekly reports are to be emailed to atbecker@uh.edu by 5:00pm on Tuesdays. The purpose of a weekly report is to: (1) give you text and images for your papers, thesis, and dissertation, (2) document progress, (3) identify if you are stuck or need resources.

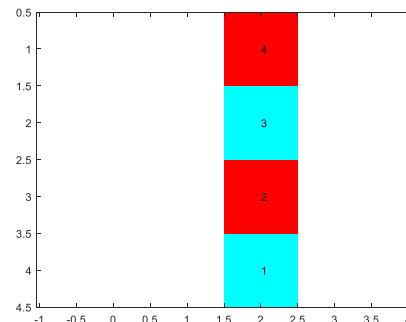

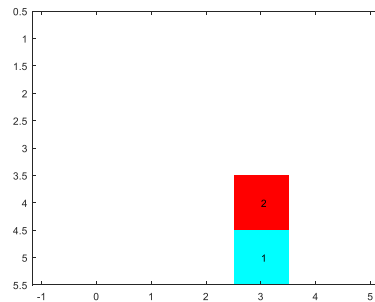

Weekly report

1. My *Goals* from last week

- Write a function for combining two parts
- Remove the white column in the part factory.

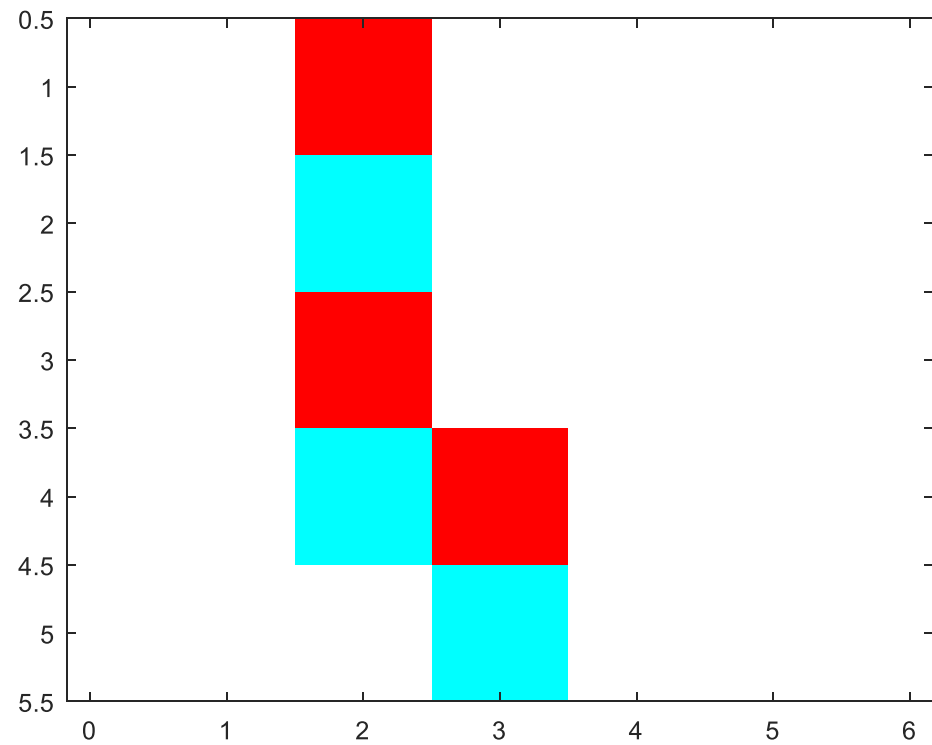

2. My *Accomplishments* this week

- a. I've written a code which combines two parts. It only works for the case in which second part is to be joined to the left/right of the first part. Functionality for addition of second part from up/bottom still has to be done.

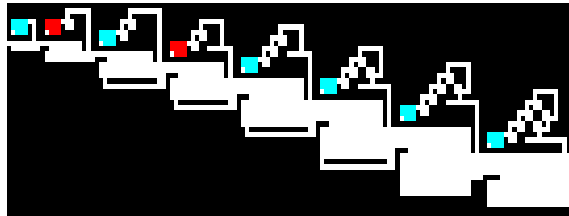

COMBINED PART:

Friday, December 2, 16

- b. I've removed the white column below the hopper. Please note that the white area is needed in case of down move and therefore last hopper still has it.

Friday, December 2, 16

3. My *Goals* for next week

- a. Meeting with Dr. Becker on <9th December 2016 at 9:00 am>
- b. For the next week, I would continue working on the function which joins two parts.

4. What I need Dr. Becker to do:

- a. ----
