Thank you for your interest in Universal Laser Systems. The following is a quote for the VLS3.50-50 watt engraving and cutting system.

Laser System Quotation

VLS3.50 Platform Description

VLS3.50 with a 12" x 24" engraving and cutting area, auto-z, X-Y beam positioning system, self-adjusting spring loaded sealed bearings, stationary processing table, shielded optical components, flash upgradeable electronics, job complete indicator, system status indicator, relocatable origin, enhanced vector cutting and rubber stamp mode. Available in 25, 30, 40 or 50 watts. CDRH Class 1 safety enclosure for CO₂ laser beam. Class IIIa for red laser pointer.

Quick Change™ Laser Cartridge Description

ULS patented, air-cooled laser cartridge with integrated red dot pointer, cross platform compatibility (can be used on any Universal Laser Systems Platform), Permalign™ no alignment installation for easy upgradeability.

VLS3.50 Laser System (12" x 24" Engraving Area)

QTY	DESCRIPTION	EACH
1	VLS3.50 Desktop System	\$17,940.00
	Includes: ULR 50 watt Quick Change Laser Cartridge™ 2" Lens Kit Laser Interface+ Driver Honeycomb Cutting Table Air Assist Cone Onsite Training	
	EDUCATIONAL DISCOUNT	(\$3,445.00)
	SUBTOTAL	\$14,495.00
1	BOFA AdBase 1 Filtration System	\$2,858.00
	FREIGHT PREPAID (FOB, Scottsdale, AZ)	\$295.00
	TOTAL PRICE*	\$17,648.00

*Unless noted above, price does not include training, taxes or non-standard packing or delivery. Exhausting is required, either externally to the outside or internally with a fume extraction system. An oil-free compressor that produces clean, dry air is needed for the air assist option.

Optional Accessories

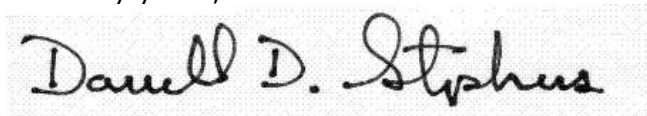

Rotary Fixture	For engraving on cylindrical items, including those with handles.	\$1,325.00
Downdraft Cutting Table	Cutting grid with vacuum and downdraft exhaust extraction.	\$600.00
CorelDRAW X7 Graphics Suite	The latest version of graphics software for the laser. Outputs both raster and vector artwork.	\$495.00
1 Touch Photo	Software that optimizes photographs for engraving on various materials	\$285.00
High Power Density Focusing Optics	For marking bare stainless and titanium without the use of metal marking solution and for fine, detailed engraving. Includes collimator.	\$2,650.00
Additional Lens Kit	1.5" or 2.0" lens kit	\$335.00
Air Assist Kit	Connector and cone for air assist option	\$140.00
Air Assist Pump	Air pump, air filter and desiccant dryer	\$595.00
Back Sweep Option for Air Assist	Pushes the smoke and debris away from the optics	\$230.00
External Exhaust	Non-ULS Item. Exhaust blower for venting to the outside	\$350.00
Connection Kit	Adaptor, 3' of 3" hose, 10' hose of 4" hose and clamps	\$45.00
BOFA AdBase 1 Filtration System	Internal filtration system	\$2,858.00
Purex XBase400 Filtration System	Internal filtration system	\$3,215.00
TherMark/CerMark Mark Solution	Used for marking bare metals, plastic, tile or glass	Inquire

FACILITY REQUIREMENTS

Computer	Windows XP/Vista/7/8, 2GH Processor, 1G RAM, High speed 2.0 USB connection, speakers, minimum 40G hard drive with 20G free space.
Software	CorelDRAW, AutoCAD or virtually any Windows based program.
Electrical Power	110V/10A or 220V-240V/5A
Exhaust	Exhausting required, either externally or internally. One 3 in port, 250 CFM @ 6 in static pressure.
Delivery	Shipping date supplied upon receipt of signed purchase order.
Terms	25% deposit with signed quote, net due payable by company check or credit card. Balance due prior to shipment payable by company check or wire transfer unless prior arrangements have been made. If leasing, leasing company purchase order, net due upon receipt. All returns are subject to a 20% restocking charge and applicable freight and credit card fees.
Shipping	FOB Scottsdale, Arizona. Shipments are freight prepaid and added to invoice. Freight charges include insurance and lift gate.
Warranty	2 years on laser cartridge, 1 year on platform.

Thank you for your interest in Universal Laser Engraving and Cutting Systems. We are looking forward to servicing your laser equipment needs. If you have any further questions, please call me at 866-727-7256 or visit our website at www.engraversnetwork.com.

Sincerely yours,

Darrell D. Stephens
